

Year 13	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Art	Personal investigation	Personal investigation	Exam preparation	Exam preparation	Exam	Course completed and work assessed
Biology	5 Energy transfers in and between organisms 6 Organisms respond to changes in their internal and external environments	5 Energy transfers in and between organisms 6 Organisms respond to changes in their internal and external environments	7 Genetics, populations, evolution and ecosystems 8 The control of gene expression	7 Genetics, populations, evolution and ecosystems 8 The control of gene expression	Revision	Revision
Business	Analysing the strategic position of business (where are we now?)	Choosing strategic direction (where do we want to go / be?)	Strategic methods (how do we get there?)	Managing strategic change (what if things go wrong? what is plan B?)	Exam preparation	N/A
Chemistry	C1 Development of Practical Skills in Chemistry C5 Physical chemistry and transition elements C6 Organic chemistry and analysis	C1 Development of Practical Skills in Chemistry C5 Physical chemistry and transition elements C6 Organic chemistry and analysis	C1 Development of Practical Skills in Chemistry C5 Physical chemistry and transition elements C6 Organic chemistry and analysis	C1 Development of Practical Skills in Chemistry C5 Physical chemistry and transition elements C6 Organic chemistry and analysis	Revision	Revision
Criminology	<p>AC4: Introduction to Criminology – Overview of types of crime, theories of crime, and basic concepts of punishment and crime prevention. Crime Theories – Biological, psychological, and sociological theories of criminal behavior. Crime and Punishment – UK punishment models, crime prevention through environmental design (CPTED), and policing strategies. AC3 Crime Scene Investigation Basics – Introduction to forensic evidence collection, role of crime scene officers, and the importance of the chain of custody. Forensic Science Techniques – Introduction to crime scene photography and documentation.</p>	<p>AC4: Criminal Justice System and Government Policy – The role of the police, government policies, the prison system, and social inequality in crime. Crime and Politics – The influence of politics on crime prevention and public perception. Crime Trends and Predictions – Analyzing crime data and future trends in crime prevention. AC3 Advanced Forensic Science – Criminal profiling, courtroom procedures, digital forensics, bloodstain analysis, and forensic toxicology. Mock Crime Scene – Practical investigation with students simulating a crime scene. Mock Exam Preparation – Review of key forensic concepts and exam techniques.</p>	<p>AC4: Rehabilitation and Restorative Justice – Analysis of rehabilitation programs, restorative justice models, and criminal justice policies. Measuring Crime – Analysis of crime statistics and data interpretation. AC3: Courtroom Evidence Presentation – How evidence is used in court by the prosecution and defense. Forensic Psychology – The role of forensic psychologists in crime scene investigation and court proceedings.</p>	<p>AC4 Evaluation of Crime Prevention Strategies – Comparative analysis of different crime prevention methods and their effectiveness. Role of Media in Crime Perception – How the media influences public perception of crime and criminal justice. AC3: Mock Trial – Students present their evidence and arguments in a mock trial based on a simulated crime scene. Review of Forensic Evidence – Revisiting key forensic techniques and preparing for final assessments.</p>	<p>AC4: Revision of Crime Prevention and Criminal Justice – Intensive revision of key concepts covered during AC4. Group Discussions and Mock Exams – Practice questions, group discussions, and mock exams to prepare for final assessments. AC3: Forensic Evidence Review – Final recap of forensic science topics, mock trials, and exam preparation.</p>	<p>AC4: Final Exam Preparation for AC4 – Comprehensive review of all topics, focusing on weaker areas, and last-minute tips before the exam. AC3: Final Exam Preparation for AC3 – Intensive revision on crime scene investigation, forensic techniques, and courtroom procedures in preparation for the final assessments.</p>
ICT	Unit 1 Information Technology Systems. Exam preparation for Jan Exam	Unit 6 Website Development. Understanding the concepts involved to develop a websites	Unit 6 Website Development. Learning how to use software tools to develop a website	Unit 6 Website Development. Working with a local employer to develop a website		
Drama	Exploring the script of The Curious Dog in the Night Time.	Component 2. Scripted Exam performance for visiting examiner.		Component 3. Preparation for exam.	Component 3 exam	N/A
English Language	Paper 1 Child Language Acquisition Paper 2 - Language Change	Paper 1 Child Language Acquisition Paper 2 - Language Change	Paper 1 - Exam skills Paper 2 - World English	Paper 1 - Exam skills Paper 2 - World English	Revision	Revision
English Literature	NEA Completion. Paper 2 - 'A Streetcar Named Desire'. Paper 2 - 'Feminine Gospels'	NEA Completion. Paper 2 - 'A Streetcar Named Desire'. Paper 2 - 'Feminine Gospels'	Paper 1 revision: Unseen poetry, 'The Great Gatsby', poetry Anthology and 'Othello'. Paper 2 revision - 'The Handmaid's Tale' and unseen prose.	Paper 1 revision: Unseen poetry, 'The Great Gatsby', poetry Anthology and 'Othello'. Paper 2 revision - 'The Handmaid's Tale' and unseen prose.	Revision	Revision
EPQ	Finish research and finalise title	Essay - first draft	Essay - final draft	Presentation, preparation and delivery	Reflection	N/A

Film Studies	British Film (Component 1, Section C) British Film 1 Key Sequence Analysis - Core Elements Key Sequence Analysis - Ideology British Film 2 Film Screening and Narrative Analysis Key Sequence Analysis - Core Elements Key Sequence Analysis - Ideology	British Film Narratives - British Film 1 & 2 Revising Production - Redrafts Production - Final Submission	Introduction to Silent Cinema Silent Cinema (Component 2, Section C) Analysis - Core Elements Critical Debates in Silent Cinema	What is Experimental Cinema? Experimental Cinema (Component 2, Section D) Analysis - Core Elements Experimental Film Narratives Experimental Film and Auteur	Component 1 Revision Component 2 Revision	Component 1 Revision Component 2 Revision
Further Maths	Decision Maths: Further Critical Path Analysis Further Linear Programming Pure Maths: Matrices and Further Matrices	Pure Maths: Complex Numbers Vectors and Further Vectors Series and Limits Further Algebra and Graphs Conics	Pure Maths: Hyperbolic Functions Further integration First order differential equations Numerical Methods	Pure Maths: Second Order Differential Equations Further Calculus Polar Coordinates Mechanics Working in 2D	Mechanics: Moments of Forces Centre of Mass Further Circular Motion	Revision and Exam Preparation
Geography	Hazards NEA	Hazards Global systems and governance Water and carbon cycles	Global systems and governance Water and carbon cycles	Global systems and governance Water and carbon cycles	Revision	
Health and Social Care	Unit 2: Working in Health and Social Care Learning Aim B: The roles of organisations in the health and social care sector(B1) Learning Aim A: The roles and responsibilities of people who work in the health and social care sector	Unit 2: Working in Health and Social Care Learning Aim B: The roles of organisations in the health and social care sector Learning Aim C: Working with people with specific needs in the health and social care sector	Unit 14: Physiological Disorders Learning aim A: Investigate the causes and effects of physiological disorders	Unit 14: Physiological Disorders Learning aim B: Examine the investigation and diagnosis of physiological disorders Learning aim C: Examine treatment and support for service users with physiological disorders	Unit 14: Physiological Disorders Learning aim D: Develop a treatment plan for service users with physiological disorders to meet their needs	N/A
History	Popular Culture and the Witchcraze of the 16th and 17th centuries and NEA: The Holocaust	Popular Culture and the Witchcraze of the 16th and 17th centuries and NEA: The Holocaust	Popular Culture and the Witchcraze of the 16th and 17th centuries and NEA: The Holocaust	Popular Culture and the Witchcraze of the 16th and 17th centuries / revision	Revision / exam practice	Revision / exam practice
Maths	Sequences and Series, Further differentiation, Further Integration, Functions	Radians, Reciprocal and inverse Trigonometric functions, Compound angles	Further Differentiation 2, Differential equations, Constant acceleration in 2d, Variable acceleration in 2d	Partial Fractions and the Binomial Expansion, Further integration 2, Parametric Equations and implicit Differentiation	Motion Under Forces and 3d Vectors, Statics and Dynamics, Friction and Moments, Conditional Probability, normal distribution, hypothesis testing	Teachers A&B Revision & exam preparation

Media Studies	Component 3 Production tasks for cross-media product	Component Two Section A: TV Introduction and industry overview, contexts English language product - ML and Rep, Industry, Audience Non-English language product - ML and Rep, Industry, Audience Comparison of Products	Component One Section B: Radio: Industry and Audience Component One Section B: Video Games: Industry and Audience	Component Two Section C: Online Media Introduction and Industry Contexts Blog - ML and Rep, Industry, Audience Online Magazine - ML and Rep, Industry, Audience	Revision/exam practice	Revision/exam practice
Music	Optional Unit Unit 3: Ensemble Performance	Optional Unit Unit 3: Ensemble Performance	Optional Unit Unit 3: Ensemble Performance	Optional Unit Unit 3: Ensemble Performance assessment	Optional Unit Unit 3: Ensemble Performance assessment	N/A
Philosophy and Ethics	Gender and Theology. Conscience. Religious Language Part 1. Gender and Society.	Meta Ethics. Pluralism and Theology. Religious Language Part 2. Pluralism and Society.	Sexual Ethics. The Challenge of Secularism. Nature of God.	Liberation Theology. Revision.	Revision/Exams	N/A
Photography	Personal investigation coursework	Personal investigation coursework	ESA exam	ESA exam	Exhibition/ moderation	N/A
Physics	Creating Models Matter	Creating models Matter	Fields Fundamental particles	Fields Fundamental Particles	Revision	Revision
Psychology	Issues & Debates and Research Methods	Gender	Schizophrenia	Forensic Psychology	Research Methods	N/A
Sociology	Global Development	Global Development	Crime and Deviance including Methods	Crime and Deviance including Methods	Revision	Exams
Sport	Unit 2: Fitness training and programming for health, sport and wellbeing.	Unit 2: Fitness training and programming for health, sport and wellbeing.	Unit 5: Application of fitness training	Unit 5: Application of fitness training	Unit 5: Application of fitness training	N/A
Textiles	Personal investigation	Personal investigation	Exam preparation	Exam preparation	Exam	Course completion
