We're excited to introduce our **Level 1 Business Administration Study Programme** for 16-19-year-olds - designed for learners who want to build practical workplace skills and start a career in business administration.

Business Admin

Learners build practical business skills, gain experience in a office environment, and grow in confidence in the workplace.

Hairdressing & Barbering (Limited spaces)

Learners develop practical cutting and colouring skills, learn how to deliver great customer service, and build real confidence working in a salon.

Engineering (limited spaces)

Learners gain practical workshop experience, industry knowledge, and the skills needed to progress into apprenticeships or employment.

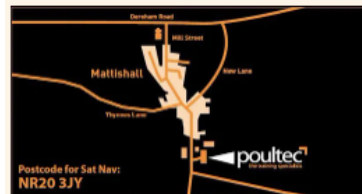

Equine

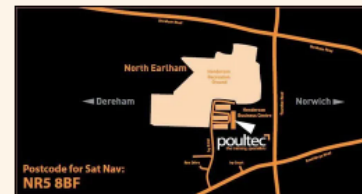

Learners develop practical horse care skills, learn how to maintain a safe and professional yard environment, and build real confidence working with horses.

Public Transport to our Sites

For public transport routes click on the images. Each centre is a short walk from a bus stop.

Main Site - Mattishall

Engineering Centre - Norwich
