March 2026

Dear Parent & Carer

In order to better support our Year 10 students, it is possible for you to order all revision/study guides centrally through the school. **If you would like to purchase any revision/study guides for your child, please place your order via this electronic form [Revision guide order form](#). – Fill out form no later than Wednesday 18th March 2026.** Please pay via the School Gateway Payment System.

The orders will be collated, and your child will be able to collect their study guides once the companies have delivered them. We hope this will be before the Easter holiday.

The prices we offer are the school prices and are generally about half the price that these books are available to parents.

Please note: If your child is Pupil Premium, please select the study/revision guides they require and tick the PP box on the order form. Thank you.

Yours sincerely

Kris Marshall-Smith
Deputy Headteacher

Important: If your child is unsure what revision/study guide they need, please ask them to check with their relevant subject teacher before you place the order, thanks.
