Revision Guides

Revision guides are a valuable resource and can provide excellent support for students as they prepare for their examinations. Most students have already ordered their revision guides; however, if you have not yet done so, please refer to the reverse of this letter for the recommended guides for English, Maths and Science.

I would like to take this opportunity to say 'thank you' for all the support you are giving to your students and us at the school.

Please do not hesitate to get in touch via the school office if you have any questions.

Yours sincerely

Mrs S Dack
