July 2026

Dear Parents and Carers,

As we come to the end of another successful academic year, I would like to take this opportunity to reflect on what has been a fantastic first year at secondary school for our Year 7 students.

I have been incredibly proud of the way our students have embraced the challenges and opportunities that Year 7 has presented. They have worked exceptionally hard throughout the year, developing the knowledge, skills and confidence that will support them not only in the years ahead but throughout the rest of their academic journey. Transitioning to secondary school is a significant milestone, and they have shown maturity, resilience and a willingness to learn every step of the way.

One achievement that deserves particular recognition is Year 7's outstanding attendance. Throughout the year, they have consistently maintained the highest attendance in the school. This commitment to attending school every day demonstrates resilience, dedication and a positive attitude towards learning. Regular attendance is one of the strongest indicators of future academic success, and the habits our students have established this year will place them in an excellent position to continue achieving highly in the years to come.

It has also been wonderful to see so many students embracing the wider life of the school. Whether performing in our recent summer concert, representing the school at various sporting events, or participating in the many other extra-curricular opportunities available, our Year 7 students have demonstrated enthusiasm, teamwork and a willingness to challenge themselves beyond the classroom. These experiences help to develop confidence, friendships and valuable life skills that complement their academic progress.

As we look ahead to Year 8, we are excited to build upon the strong foundations that have been established this year. Our students will continue to grow both academically and personally, guided by our school values of **Kindness, Ambition and Determination**. We are confident they will continue to embody these values as they take on new challenges and strive to achieve their full potential.

Finally, I would like to thank you for your continued support throughout the year. The partnership between home and school plays a vital role in our students' success, and we greatly appreciate your encouragement and commitment.

I wish all our Year 7 students and their families a safe, restful and enjoyable summer break. Take the opportunity to relax, spend time with family and friends, and return in September refreshed, ready and excited for all that Year 8 has to offer.

Yours faithfully,

Mrs Sarah Scales

Year 7 Progress Leader
