13 July 2026

Dear Parents and Carers,

As we come to the end of another successful academic year, I would like to take this opportunity to thank you for your continued support and to reflect on what has been an excellent year for our Year 9 students.

Throughout the year, our students have worked incredibly hard, demonstrating commitment, determination and a positive attitude towards their learning. They have continued to develop the knowledge, skills and resilience that will support them not only through the remainder of their time at school but throughout their wider academic journey. It has been a pleasure to see their confidence and independence grow as they have embraced new challenges and opportunities.

One area that has been particularly pleasing is the consistently high attendance across the year group. Regular attendance is one of the strongest indicators of future academic success, and our students have shown great resilience and dedication by coming into school each day, ready to learn. These positive habits will undoubtedly place them in a strong position as they move into the next stage of their education, where attendance, perseverance and hard work will continue to play a vital role in achieving their full potential.

Beyond the classroom, many of our students have enthusiastically engaged in a wide range of extra-curricular opportunities. Whether performing in our recent Summer Concert, representing the school in rugby or football fixtures, or participating in the many other clubs and activities on offer, they have demonstrated talent, teamwork and a real sense of school community. These experiences help to develop confidence, leadership and friendships, and we are incredibly proud of all they have achieved.

Looking ahead, Year 10 marks an exciting and important milestone. Students will begin building upon the strong foundations established during Years 8 and 9 as they embark on their GCSE courses. The study habits, resilience and organisational skills they have developed this year will be invaluable as they take this next step. We are confident they will rise to the challenge and continue to make us proud.

Finally, I would like to wish all our Year 9 students and their families a safe, restful and enjoyable summer break. We hope everyone takes the opportunity to relax, spend time with family and friends, and return in September refreshed, ready to embrace the exciting opportunities and challenges that Year 10 will bring.

Thank you once again for your continued support throughout the year. We look forward to welcoming our students back in September for what promises to be a rewarding and successful year ahead.

Yours sincerely

Mr S Leat

Year 9 Progress Leader
