Dear Parents/Guardians,

Re: Consent for Local Visits for Sixth Form Students

As part of our commitment to providing enriching educational experiences for our sixth form students we are writing to seek consent for students to take part in local visits during the sixth form day, for the rest of the term. These visits aim to broaden the students' perspectives, enhance their learning, and foster a sense of community engagement.

The local visits may include independent excursions for students to complete assignments such as to investigate art or photography work, or film for film and media studies. Local visits may also include group outings led by a member of our dedicated staff, for example delivering gifts to a local nursery for the 'magic moments' enrichment task or visiting the market to complete business or sociology research. Students would walk or drive independently to these excursions and outings.

These opportunities offer students the chance to apply their classroom knowledge to real-world situations, develop essential life skills, and build a stronger connection with the local community.

If you grant permission for your child to participate, **please complete the below consent form and return it to the school office**. If you have any questions or concerns regarding the local visits, please do not hesitate to contact us at sixthform@fakenhamacademy.org

We understand the importance of your child's safety, and rest assured that all outings will be risk assessed and recorded using the Norfolk County Council visit system.

Thank you for your ongoing support in providing our sixth form students with valuable learning opportunities beyond the classroom. We look forward to your prompt response, and we are excited about the positive impact these local visits will have on your child's educational journey.

Yours sincerely,

Mrs Marshall-Smith
Assistant Headteacher-Head of Sixth Form

Consent for Local Visits for Sixth Form Students

I/we consent for (student name) _____ to take part in local visits (directed by a teacher) both independently and/or with a member of staff for the rest of the academic year.

Print Name: _____ Signed _____

Date _____
