Student Association Fee for Enhancing Student Experience

Dear Student & Parent/Carer,

Fakenham Sixth Form collects a nominal fee of £10 per student (£5 per year) to contribute to the Student Association Fund. I would like to highlight the significance of this contribution and how it positively impacts the student community. The purpose of the Student Association Fund is to finance various initiatives and activities that directly benefit the students.

The student association fee enables us to organise educational and recreational events such as BBQs and end of year celebrations and throughout the academic year. These events play a vital role in fostering a sense of community and belonging among the student body.

Additionally, the Student Association Fund contributes to improving the learning environment by investing in resources in the Sixth Form to improve the learning environment.

Year 12 students are expected to pay £10 student association fee if they are studying Level 3 qualifications on Enrolment Day by Card or School Gateway first week of Term.

Thank you for taking the time to consider this matter. I believe that with the support of the student community and the administration, we can continue to improve the quality of education and experiences for all students at Fakenham Sixth Form.

Should you have any further questions or require additional information, please contact us on sixthform@fakenhmacademy.org or call 01328 851039.

Sincerely,

Mrs Marshall-Smith
