Every applicant will have an interview with a member of Sixth Form Management to answer any questions that may arise from the completion of this form and establish the most appropriate course of study.

As a general guide:

- If you are estimated to achieve **five GCSEs (or equivalent) at level '4'** and above (including English or Mathematics) you should apply for Level 3 courses (2 year 'Advanced' Level study). Please refer to the 2026/27 Prospectus for subject entry requirements.

The courses offered below constitute the Sixth Form's proposed curriculum for 2026/27. However, the Sixth Form reserves the right to alter the offer if necessary. You should choose three subjects. If you have additional subjects that you are considering studying, please also indicate these on the form below. All students will study the Extended Project Qualification as part of our curriculum offer. Please refer to the 2026/27 Prospectus on our website for subject entry requirements. The subjects below are placed in blocks, one subject per block should be selected as these run at conflicting times. Programmes of study and specific subject choices will be discussed with you during your interview.

***Courses may change due to the government curriculum review and student applications**
